

East Midlands Regional Plan: Errata

Please note the following errata, none of which are considered to affect policy issues.

Unnumbered page facing Contents: Reference to West Midlands Regional Assembly is incorrect. This should be changed to: East Midlands Regional Assembly, Phoenix House, Nottingham Road, Melton Mowbray, Leicestershire, LE13 0LU

Page 4, 1st line: The reference to RSS8 should have been deleted as the current round of Regional Spatial Strategies are not numbered.

Diagram 7, page 105: The locations of Ashby and Swadlincote on the map should be reversed.

MKSM SRS Northamptonshire Policy 1, page 117: The double asterisked footnote referred to the situation when there was a division of housing provision between districts in the period 2021-26 (i.e. in the draft RSS and Proposed Changes). Now that the housing provision figure for North Northamptonshire for 2021-26 is given only for the HMA the footnote is superfluous and should have been deleted.
