The LSC's regional launch for the European Social Fund Invitation to Tender begins on 12 November and the LSC has updated information about the launch of its ITTs on its [national website](#)

Some provisions within the regions such as Community Grants and the Employer Responsive elements of Train to Gain may launch separately in some regions. If you would like more information on this then please contact your [regional office](#).

The deadline for providers to complete ITT's has been extended from 4 to 5 weeks. The submission date for those opening on 12 November is 14 December 2007.

Information will be put on the Department for Work Pensions (DWP) website in due course to confirm details of the next stage of the tendering process, and to notify interested parties of the opportunity to network with those organisations that will be invited to take part in the second stage, that starts on 3/12/07.

The link below goes to the DWP website that has general information about the ESF programme and gives a timescale for implementation.
